

Discover Gardening Courses at Wirral Environmental Network

PRACTICAL GARDENING - including fruit and vegetable growing

Discover and practice tasks you can do in your garden including pruning, taking cuttings, improving your soil, sowing seeds for summer colour, looking at YOUR garden for the following year and much more!

Wednesdays, starting 4th January, 9.30 - 11.30 am

A - Z OF GARDENING - ORNAMENTAL AND PRODUCTIVE

We will look at a new subject every week which will help you in your garden.

Find out what you should be doing week by week
and Gardener's Question Time.

Thursdays, starting 5th January, 2.15 - 4.15 pm

GARDEN GROUP

This group meets to discuss garden related subjects important to them with a chosen topic for the session. We also discuss what you should be doing week by week in your garden and hold Gardener's Question Time.

Fridays, starting 6th January, 9.30 - 11.30 am

- - - - -

Cost of each course above is £60.00 for each 10 week term
